14400 Covenant Way
Bradenton, Florida 43202**

April 30, 2012

To: Customers of Braden River utilities
CDD-1, CDD-2 & CDD-5

Please see the enclosed "Irrigation Schedule" pertaining to your CDD and neighborhood and be advised that effective immediately your irrigation controller should be set to correspond to the day of the week and time of day provided by the schedule.

BRU is requesting these schedule changes in the CDDs listed to help improve irrigation pressure (psi) and flow (gpm) where past pressure and flow problems have occurred or could occur. You may find that our particular neighborhood's irrigation schedule (day & time) did not change but please check to see that your controller is set to the current schedule.

BRU appreciates your attention and cooperation in making these schedule changes and looks forward to better pressure and flow in your neighborhood.

Sincerely,
Braden River Utilities, LLC
